

Volunteer Policy

Horsham Child Contact Centre offers a facility where children of separated families can enjoy contact in a neutral meeting place with one or both parents, and sometimes other family members, in a safe and comfortable environment. In order to offer this service, volunteers are needed to:

- Support the Team Leader to co-ordinate the service
- keep attendance records;
- serve refreshments;
- prepare and clear up the Centre on the day;
- ensure that the Centre is secure and safe;
- be on hand to assist the families using the Centre.

Recruitment

We will use appropriate means to advertise for volunteers locally that take into account the principles of our Equal Opportunities and Diversity Policies. The applicant will have to complete an application form, but help can be given with this if necessary. The applicant will be interviewed by the Social work Manager or the Service Manager and if this is successful the two references asked for will be taken up.

An enhanced level criminal records disclosure with the Disclosure & Barring Service will be made for every volunteer working in a Child Contact Centre.

Induction and Training

There will be an induction prepared and delivered by the Social Work Manager or the Service Manager.

This will include:

- The role of the volunteer.
- A list of all staff members and volunteers.
- A list of Management Committee members and sub-committees.
- Copies of all the Horsham Child Contact Centre policies including this Volunteer Policy and those on Child Protection, Confidentiality, Health and Safety, Equal Opportunities and Diversity, Domestic Violence and Conflict Management.
- Essential procedures i.e. timekeeping, rota etc.

- Details of ongoing training.
- Information about NACCC and its Values and National Standards.
- Other information as appropriate.

There will be a trial period of 3 months to give the Horsham Child Contact Centre and the volunteer time to discover if they are suited to each other. A review will be made midway through the trial period and also at the end.

Expenses

We value our volunteers and want to ensure that there are no barriers to volunteer involvement. All out-of-pocket expenses approved by the Centre Service Manager/ Social Work Manager, will be reimbursed. In order to claim expenses, an expenses form must be completed and given to the Service Manager.

Support

The Centre Service Manager/ Social Work Manager, team leaders and other volunteers will offer support to the volunteers. There will be a briefing session at the beginning and a de-briefing at the end of each Horsham Child Contact Centre session.

The Centre Service Manager/Social Work Manager will support all volunteers and will have regular meetings with the volunteers to discuss any problems or issues that may arise.

The Centre Service Manager and Social Work Manager (whether paid or un-paid) will receive support and regular supervision sessions from the Chair of the Management Committee (or from another named committee member).

Insurance

The Horsham Child Contact Centre is covered by the public liability insurance policy of Kingdom Faith.

Confidentiality

The contact process requires an explicit confidentiality policy, which all Centre workers, which includes Management Committee, volunteers and staff, are obliged to observe.

Resolving problems

The relationship between the Horsham Child Contact Centre and its volunteer workers is entirely voluntary and does not imply any contract. However, it is important that the Horsham Child Contact Centre is able to maintain its agreed standards of service to the children, families and referrers who use it, and it is also important that volunteers should enjoy making their contribution to this service.

If your role as a volunteer does not meet with the Horsham Child Contact Centre's standards, here is how it will be dealt with:

1. Initially with a meeting with the Service Manager or Social Work Manager who will explain the concerns.
2. If this does not resolve the concern then a meeting with the Chair of the Management Committee will be convened.
3. If your work still does not meet with our standards then we shall have to stop using your services.

At all times you will be able to freely state your case and can have a friend to accompany you.

If you are dissatisfied with any aspect of your work you should:

1. Initially explain your dissatisfaction with the Team Leader
2. If that does not resolve the concern then a meeting with the Service Manager or the Social Work Manager should be convened.
3. If that does not resolve the issue then a formal meeting with the Chair of the Management Committee should follow.
4. If after this, your dissatisfaction remains unresolved, and we are unable to resolve your grievance, then it would be inappropriate for you to continue to be a volunteer.

At all times you will be able to state your case and can have a friend to accompany you. This Volunteer policy is freely accessible to all.

This policy will be reviewed annually and if necessary updated.
